## **THE TRAIL BLAZER**

VOLUME FORTY-NINE - 2016 EDITION

---

### **Celebrating 59 Years of Sponsoring Hikes and Outings**

---

The TRAIL BLAZER is published each year as a record of the Club's activities and a record of members' hiking accomplishments. In 1956 a group of people who had been hiking under the banner of AMERICAN YOUTH HOSTEL were working on a 22-mile trail. On January 23, 1957, several of them had a meeting to discuss the formation of a new hiking club. They decided to name it THE INDIANAPOLIS HIKING CLUB. The constitution they drafted listed the following: "The purpose of the Club shall be the encouragement of the love of nature; the dissemination of knowledge of the attractions of the out-of-doors; the promotion of outdoor recreation in the form of hikes and outings; and the sponsoring of other activities incidental to the foregoing."

Following the desires of the founders, the Club has remained faithful to the objectives for which it was founded. However, the Club has changed with the times and the desires of newer members.

Over the years the Club has been most fortunate in having dedicated officers to guide the Club. During 2016 the following people spent much time and effort in guiding the Club:

### **2016 YEAR IN REVIEW**

The Indianapolis Hiking Club had a very successful and fun filled year that ended on September 30, 2016. We finished the year with 571 members, one more than we started the year with. This reversed the downward trend in membership we have seen in recent years. We added a very healthy 85 new members and the percentage of our members actively hiking is up. We attribute a good part of this growth to the Bicentennial State Park Hikes (more on this later) that were very popular with new guests. This past year the Club scheduled 2,072 hikes - an average of 5.7 hikes a day – almost identical to a year ago. This was the seventh year in a row that we scheduled more than 2,000 hikes, making us one of the most active hiking clubs in the country. In aggregate, 16,133 members hiked a total of 92,898 miles, up about 7% from a year ago. The average attendance was 5.8 people per hike, a modest drop from last year.

In addition to the very popular Bicentennial Hike series which drew unprecedented crowds, we continued to schedule numerous morning, afternoon and evening hikes every day of the year. We visiting every Indiana state park, we hiked in most state forests, the Hoosier National Forest, nature conservancies, the Knobstone Trail, wildlife refuges and numerous rural communities in Indiana and nearby states. Many themed hikes were offered, including wildflowers, museums, concerts, pet hikes, book club hikes, restaurants, flower gardens and

opportunities to learn more about the history of our great city and state. Five multiple-day trips were scheduled in Indiana and other states. Although hiking remained the primary focus, leaders often tacked on pitch-ins and visits to museums, gardens, concerts and restaurants at the conclusion of a hike. Following a number of regularly recurring hikes, it has become a tradition for hikers to meet for coffee, lunch or dinner. Hiking with the Club is as much a social experience as physical exercise.

### **BICENTENNIAL STATE PARK HIKES**

By far the most significant accomplishment during 2016 was the Bicentennial State Park hike series. (Although the series ran through the end of the calendar year – 3 months beyond September 30 - we will recap the entire experience here). Envisioned as a way for our Club to participate in Indiana's year long bicentennial celebration, the Club scheduled hikes in all 25 of Indiana's state parks. When we came up with the proposal we had no idea how popular the hike series would become. We were astounded when 159 members and guests showed up for the first hike at White River State Park on a cold January 1. Most of the other official Bicentennial hikes drew between 60 and 80 attendees. Each member received a Bicentennial passport which we had made for the occasion and got them stamped at each hike. Many of our members sported new Bicentennial tee shirts. All told, the Club scheduled 145 state park hikes in 2016, including 48 official Bicentennial hikes (multiple options at each park) and 97 make-up and other hikes, such as wild flower hikes. 53 different leaders led at least one state park hike. Total attendance was 2,541 members, 171 guests and 10 children. 258 of our members (almost half our total membership) participated on at least one hike. We hiked a total of 14,115 miles in Indiana's state parks, more than 15% of the total mileage hiked by the Club for the entire year.

Here is a list of the state parks we visited and the number of attendees:

Brown County	84
Chain O'Lakes	60
Charlestown	71
Clifty Falls	70
Falls of the Ohio	67
Fort Harrison	169
Harmonie	76
Indiana Dunes	79
Lincoln	71
McCormick's Creek	103
Mounds	99
O'Bannon Woods	74
Ouabache	72
Pokagon	62
Potato Creek	80
Prophetstown	89
Shades	72
Shakamak	67
Spring Mill	78
Summit Lake	113
Tippy Canoe River	77
Turkey Run	68
Versailles	96
White River	159
White Water Memorial	66

Not surprising, close to home Fort Harrison SP saw the most hikers. Far away Chain O'Lakes SP had the fewest with 60, but still an impressive number.

At this year's Christmas Party on December 4<sup>th</sup> we recognized the Bicentennial SP Hikes Committee who worked very hard to put the year long hike series together. Everyone who attended at least one state park hike

(258 people) was awarded a commemorative lapel pin. We also recognized 35 members who hiked in all 25 state parks and an additional 18 members who hiked in 20 or more parks. For their impressive accomplishment these people received a photo book of the state park hikes and special tee shirts.

Although the state park hikes were a major focus in 2016, following are some other notable highlights from the past year:

**CHRISTMAS PARTY** Held on December 6, 2015, our annual Christmas Party drew about 140 people. It is always a fun event and a chance to socialize with our friends at a non-hiking venue. Social Committee chairperson Janet Cohen and her helpers did a wonderful job decorating the hall and tables and providing door prizes. As usual, the food was great and there was lots of it. Thirty one 2015 Achievement Award winners were recognized. This year's winners received rustic looking picture frames with the Club logo embossed on them. Thanks also to the many members who brought foodstuffs that were donated to a local food-bank and toys that were given to local firehouses.

**BRADFORD WOODS** Once again we hiked the beautiful woods (even in winter) at Bradford Woods each Tuesday in January. Our Club has been doing this for about 25 years. Weather in January is always iffy, and it is unusual for us to be able to hike on all the Tuesday's. On one of the hikes a fun group from Bloomington joined us. As much a tradition as the hike, many of the hikers enjoyed lunch after the hike at either Po's or Gray's cafeteria.

**BIG BEND NATIONAL PARK** On the way to Tucson, early March found eleven hiking club members experiencing the trails for several days in Big Bend National Park in south Texas. Most stayed at the Chisos Mountain Lodge, located in a basin of the Chisos Mountains. Big Bend is noted as being the "park of the stars". The night skies are full of stars and the hikers enjoyed viewing them. Hikers hiked Grapevine Trail, Boquillas Canyon, Hot Springs Trail, Lost Mine Trail, and the Santa Elena Canyon.

**TUCSON, ARIZONA** Almost 60 members and guests made the trek to southern Arizona in mid-March for five days of hiking in the beautiful Sonoran desert. This is the third time the Club has visited Tucson. Up to three hike options each day allowed everyone to enjoy desert hiking at their own pace – still there were plenty of steep climbs, lots of rocks and more than enough thorny cactus and cholla. Many thanks to John Gaebler and Ed Wright for organizing the week. Also thanks to the additional hike leaders we drafted to lead the various options.

**WILDFLOWER HIKES** As has been done for many years, hikers enjoyed the spring wildflowers with a weekly wildflower hike in April. We hiked Holliday Park, McCormick's Creek State Park, Mounds State Park and West Side of Eagle Creek. Due to the early spring, hikers got to see more of the early wildflowers this past year.

**SMOKY MOUNTAINS NATIONAL PARK** For the 19th year in a row the Club descended on Gatlinburg, TN in mid-April for three days of mountain hiking and wildflower viewing. The Smoky's are especially beautiful in early spring. This year over 40 members and guests attended. Jeff Edmondson led a new route up challenging Mt. LeConte, his favorite trek in the Smokies. Ron Mutzl, Jim Shoufler and Jean Ballinger also led hikes. Jean continues to orchestrate this fun trip to the Smoky's every year.

**C&O CANAL ONE DAY HIKE** This is an annual event put on by the Washington DC Sierra Club in late April. Although it was attended by only two Club members – Rita Bymaster and Theresa Ray - it is noteworthy because these ladies tied our club's single day long distance record of 62.2 miles (100K) by walking from Washington DC to Harpers Ferry, WV. Even more impressive is that this was the seventh time Rita has completed this distance and in a personal best time of faster than 4 miles an hour including stops (no running). Stop and think about it, if you averaged 4 miles an hour for 15 hours you would still have two more miles to go to finish 62 miles. This was an incredible accomplishment for Rita and Theresa and something for us all to take pride in. And they are going to do it again in 2017.

**GNAW BONE CAMP** As we have done for over 40 years, Memorial Day weekend again found hikers staying in the cabins and hiking the hills of Brown County at Gnow Bone Camp. This is especially enjoyable for

grandparents and their grandchildren. Day hikers joined those who were staying over. October found us again at Gnaw Bone Camp for our annual Octoberfest among the fall colors in Brown County, with Bill Boyd leading a longer, faster hike and Mary Ann Layman leading a more moderate pace hike. After hiking, many hikers enjoyed picnic lunches and visiting on a warm fall day.

**SLEEPING BEAR DUNES** In September, on the way to Michigan's Upper Peninsula about 25 hikers stopped over for several days at beautiful Sleeping Bear Dunes on the shores of Lake Michigan, always a fun and scenic place to hike. Jean Ballinger always does a great job with the lodging and interesting hikes.

**MICHIGAN'S UPPER PENNINSULA** Bill Halik led a first ever Club trip to Michigan's upper peninsula in mid-September, which everyone raved about. About 40 people enjoyed perfect weather for the three days of hiking. Dramatic views of Lake Superior and waterfalls were great memories; not so sure about the bear tracks. All in all a great trip which we hope is repeated soon.

**ANNUAL PICNIC** Always a great event in late July about 100 members and guests attended. The weather was hot but the sun was shining. People brought their favorite food to share and the Club provided fried chicken and drinks. Ed Wright, Gary Fine and Marsha Hutchins led hikes before the meal. Many members brought school supplies for under privileged IPS students. Thank you to Janet Cohen for coordinating this and other social events throughout the year.

**GENERAL ASSEMBLY** On September 8th the Club held its annual General Assembly at a new location during which the current board was elected. Outgoing president, John Gaebler welcomed incoming president Phil Smith. After the election, Kevin Carlsen, manager of the Ornithology Center at Eagle Creek Park, gave an excellent slide presentation about resident and migratory birds regularly seen in Eagle Creek Park. Thanks to all the board members who brought snacks to the meeting.

**BOOK CLUB HIKES** Started in 2014, Book Club hikes have grown to be very popular, essentially a club within a club. Orchestrated by Kathy Whalen and Katy Smith one hike is scheduled each month and we didn't miss a month last year. Hikers read a different book before each hike and there is a book discussion before, during or after the hike at the leader's discretion.

**PUBLICITY** Under Mike Khalil's direction as Director of Publicity, our Club actively sought to provide information about and create interest in the organization. The Bicentennial hikes provided an opportunity to get out the word about the Club, and we worked with the Indiana DNR on permitting requirements for these hikes. Many members helped represent the Club at events such as the Boat, Sport & Travel Show and several employer wellness fairs. The April edition of Geist Magazine had a nice article about the club that included pictures of members on several hikes. We also responded to numerous inquiries regarding the Club and its activities that gave us an opportunity to provide information on the numerous hikes and hike venues.

**CONSERVATION** Chuck Turner has expanded our efforts in conservation this past year. We have made some efforts to help curb the unprecedented logging that continues in our state forests, and will continue this effort again this year. We have adopted an additional trail at Eagle Creek Park besides our commitment in Morgan Monroe State Forest. This commitment has given us some benefits to the park such as a free shelter for our annual picnic. We also are working on adopting and reviving the old Boy Scout Trail in the Eagle Creek Park. We have had a lot of participation and even some bridge building by dedicated Club members, always a good thing to give back.

**WHAT'S NEXT** On January 23, 2017 the Indianapolis Hiking Club celebrated its 60th anniversary and clearly we are stronger and more active than ever. Seventy-four of our members have been active for 25 or more years. Nell Larrison is our longest tenured member with 53 years. Twenty people, many of whom no longer hike, have been members for more than 40 years. They represent the backbone and history of our club. See who they are on the "About Us" page on our Club website. Take a few moments to remember long-term members who passed away this past year, including Paul Lorenz (from Gnaw Bone Camp), Macie Stephens, Frank Bogan, James Tygum, Jane Hilaire, John Behrmann and Mary Pulsifer.

Once again we will be very busy in 2017. We expect to schedule more than 2,000 hikes for the eighth year in a row. Although not quite as ambitious as the 2016 state park hike series, this year we plan to hike at eight Indiana State Recreation Areas (SRA). Monthly Book Club hikes and Pet hikes will continue. As will April wild flower hikes and return visits to Bradford Woods and Morgan Monroe State Forest in March and October. We also intend to offer many slow and easy options for our elderly members. Multi-day trips are planned for McCormick's Creek SP and Los Angeles, CA in March, Smoky Mountains NP in April, Ridgeway Trail in England in May, Gettysburg in June, and Starve Rock, IL in September. Florida hikes are on the schedule for our winter snowbirds. As always, we will also host an annual Christmas Party, Club Picnic, General Assembly and Octoberfest at Gnaw Bone Camp.

For some of our members it is all about the exercise, and we offer lots of opportunities if that is your primary interest. For most however, hiking with the Club offers an opportunity to interact with old and new friends. The Club is very much like an extended family. Do your friends and family a favor and invite them to a hike. Do yourself a favor too and plan to hike more often this year. Your doctor will be happy if you do. We look forward to seeing you often this year. If you haven't led a hike recently, make it a goal to lead a hike this year. Everyone loves a new hike and leading is a rewarding experience.
