Happiness - A Step at a Time

THE TRAIL BLAZER

VOLUME FIFTY-SEVEN – 2023 EDITION

(Club hiking year Oct 2022-Sept 2023)

The TRAIL BLAZER has been published every year since 1968. It serves as a record of the Indianapolis Hiking Club's annual activities and members' hiking accomplishments. It is also a valuable historical document.

THE INDIANAPOLIS HIKING CLUB was established on January 23rd, 1957.

Sixty-seven years later the club is still thriving, bringing joy and happiness to many.

The Club was founded to “encourage a love of nature through the promotion of outdoor recreation in the form of hikes and outings.”

Over the years the Club has been most fortunate in having dedicated officers to guide it. During 2022/2023 the following people spent much time and effort in leading the Club:

<u>ELECTED OFFICERS</u>	<u>APPOINTED OFFICERS</u>	<u>ELECTED DIRECTORS</u>

A giant thank you to many other Club members who have contributed and assisted in the preparation of this year's Trail Blazer.

We have had a great year. COVID was behind us, and the Club hiked almost every day. We had no major incidents involving Club members

MEMBERS

91 new members were warmly welcomed into the Club during the year. Their names are listed near the end of this document.

Membership as of September 30, 2023, was 586 compared to 569 on September 30, 2022. This is great news. We paid to march in the St. Patrick's Day parade, hosted a booth at the Garfield Earth Day and a table at Penrod Arts Fair. These activities helped member recruitment.

72 members did not renew their memberships. 25 of these were members who had joined the Hiking Club the prior year.

50 YEARS AGO

The Club President was Ted Fields. In his year-end statement, he said, "We offer wholesome activities fifty-two weeks a year attended by the greatest folks available. What other organization can boast such assets? Can I say more? Only that I will continue to work for the encouragement of the love of nature; the dissemination of knowledge of the attractions of the out-of-doors; and (the promotion of outdoor recreation). Thank you for many beautiful trips and hikes, and experiences -and come, share the future; participate and enjoy!"

Club membership was 258 and the club did 54 hikes. The hike with the largest number of members was led by Nell Larrison in Bradford Woods on the 15th of April: 51 members hiked. Ted Fields was the most active member with 275 miles hiked for the year. Second were Alois and Dora Buehler with 240 miles each.

HIKE LEADERS

Thank you to everyone who led a hike during the year. We had 96 different hike leaders, which is an increase of 16 since last year - just amazing!

HIKES

The number of hikes scheduled for the year was 2,218 but 130 were canceled, so 2,088 hikes were completed.

The number of members who hiked at least once was 406.

The total number of miles hiked was 94,801. This is over 1/3 of the distance to the moon.

Once again food was important and was enjoyed with several hikes.

Hikes completed

Fifty three Club members completed at least 100 hikes during the year. Well done.

TALES FROM THE TRAIL

Upper Peninsula of Michigan – Bill Halik

In September the hiking club visited the Upper Peninsula of Michigan for the third time. Fall colors and beautiful weather contributed to three great days of hiking for forty hikers. Day one included a six-mile morning hike in the Pine Marten area of the Hiawatha National Forest followed by lunch being served by Cheryl Halik in her pole barn. A three-mile forest hike followed. The afternoon was topped off with a visit to the Midway General Store for one of their very generous ice cream cones. Day two was a seven-mile hike with a ten-mile option in the Pictured Rocks National Lake Shore area. Beautiful views of Lake Superior were the highlight of this hike. The day ended with a group dinner at the local Moose Lodge in Munising. The whitefish dinners were a hit. The third day took the group back to Pictured Rocks for a five-mile hike. The group then moved on to Mackinac Island and Petoskey for additional hikes.

Subaru Factory– Mervyn Cohen

A second tour of the Subaru factory in West Lafayette was enjoyed by 25 club members. The tour involved a 1.5-mile hike along an elevated walkway gazing in wonder at the technology and efficiency of new car production. The tour was followed by a five-mile hike along the banks of the Wabash River.

A change in the weather – Katy Smith July 28, 2023

Weather forecasters had warned of the highest temperature of the summer: a high of 99 degrees F and a heat index of 109. As leader of the TGIF weekly hike, Phil Smith was concerned about such heat. Instead of cancelling the hike or moving it to a mall, he changed the start time from 9 am to 8 am and took extra water in case any hiker needed more.

On the way to Eagle Creek Park, he noticed some clouds to the west. A quick check of a weather app showed only the possibility of rain late in the day.

Fourteen hardy (or foolhardy?) hikers arrived for the 8 am start, dressed appropriately for a hot weather hike. The group took off, stopping for a bathroom break at the Marina where it started to sprinkle. By the time they reached the Ornithology Center, the skies had opened, and the group was soaked – nobody had rain gear.

They huddled inside the Center for a while, rejecting the idea of sending a volunteer to the Beach parking lot for a car. The group set off on the roads back to the lot, after concluding that the trails would be dangerously slick. Thankfully there was no wind that morning, but the hikers got soggy by the minute as the rain came down in sheets. The group put on brave faces and hoped that the occasional bolts of lightning might strike trees instead of them.

All of the TGIF pack made it back to their cars, soaked to the skin. One long-time hiker said she had never been that wet on a hike. And she had hiked with Mervyn Cohen in Great Britain!

Moral of the story: changing a hike start time can backfire.

Smoky Mountains - John Schlechte

For the 26th consecutive year, the Club spent 3 days hiking in the spectacular Great Smoky Mountains National Park. For the first time, we enjoyed a “tailgate” social hour in the parking lot of Riverhouse at the Park (the hotel where most members stayed) the evening before our hiking adventures began. Over 50 members and guests (including a couple who makes their home in Seattle) enjoyed 14 different hikes totaling 100 miles. The hikes ranged from a walk to downtown Gatlinburg for ice cream to two different routes to Mt. LeConte, the third highest peak in the park. The six leaders did their best to offer easy, moderate and challenging options that would appeal to everyone. The weather was sunny and warm, and the wildflowers were plentiful. It was also a good year for wildlife, with sightings of bear, deer, elk, and a black panther.

SOCIAL

Our three traditional gatherings were all well attended and greatly enjoyed. The winter banquet was again held at the Nativity Catholic Church, the annual picnic in Eagle Creek Park and the General Assembly at the Unitarian Church.

FINANCES OF THE CLUB

Kathy Whalen, treasurer

We ended the year with a bank balance of \$16,769.88. There were still bills to be paid from the yearend balance.

We have two reserve funds. There is a \$5,000 reserve fund for technology and \$3,000 for general expenses.

This was the third year in the last six where expenses exceeded income. Our biggest expenses are Mailings (Schedules, Rosters & Membership Info) at \$4,490.38 and Insurance at \$2,611.00. A new company next year will save us \$700.

As we have done for several years, the club made a \$500 contribution to Eagle Creek Foundation. This allows the club to be listed as a supporter on most of the Park's publications.

Membership dues were increased by \$5/year for each member and members who wish to continue to receive the schedule via mail, now pay a \$10/year Mailing Fee. This is the first dues change since 2011.

CONSERVATION

Dave Drzewiecki Conservation Officer

The function of the IHC Conservation Officer is to identify and relay to the IHC membership, information regarding conservation-related organizations, activities and opportunities directed toward hiking trail construction, maintenance, and conservation for the benefit of the environment, hikers and the general public. Key organizations the IHC taps into are Hoosier Hikers Council, Indiana Wildlife Federation, The Nature Conservancy, Central Indiana Land Trust, Sycamore Land Trust, Indiana Natural Resources Foundation, Red Tail Land Conservancy, Rails-to-Trails Conservancy, Indiana Trail Running Association, and the Indiana DNR.

To a lesser degree, the IHC conservation officer monitors the Water and Soil Conservation Districts of Marion and the collar counties for any trail-related opportunities. Information is forwarded to all IHC members for them to consider participation in promoting conservation and the sport of hiking throughout central Indiana.

COMMUNICATIONS

Phil Smith

During the summer of 2022, the Indianapolis Hiking Club Board of Directors approved the formation of a committee to review and document the Club's database processes. This committee was composed of Phil Smith, Chairman, Marti Burton, Bob Hackenberg, Paul Klimowitch, John Lyghtel, John McShea, Rick Wortman, and Ed Wright.

Following many meetings during 2022 and 2023, comprehensive documentation was developed in the following areas:

1. A history of the Club's use of databases and a review of how the Club has developed the current data processes including the recording of member mileage, and generation of hiking schedules. This document was produced by Karen Zimmerman.
2. A comprehensive manual for producing a hiking schedule within the Club's database.
3. A database manual was produced by Bob Hackenberg and Paul Klimowitch. This document describes the logic and code required within the database (written in SQL) to store mileage, membership, and hiking schedules. It also describes, in detail, the CGI scripts (written in Perl programming language) necessary for the Club's website to communicate with the various database tables and extract and display requested information. These three documents can be located on the Club's website under Articles and Archives.

CLUB SERVICE ACHIEVEMENT AWARD

Paul Klimowich was awarded the club service achievement award for all the work that he has done with learning the club database and assisting Bob Hackenberg in writing a database manual.
