THE TRAIL BLAZER

VOLUME FIFTY-SEVEN – 2024 EDITION

(Club hiking year Oct 2023-Sept 2024)

The TRAIL BLAZER has been published every year since 1968. It serves as a record of the Indianapolis Hiking Club's annual activities and members' hiking accomplishments. It is also a valuable historical document.

THE INDIANAPOLIS HIKING CLUB was established on January 23rd, 1957. Sixty-eight years later the club is still thriving, bringing joy and happiness to many.

The Club was founded to “encourage a love of nature through the promotion of outdoor recreation in the form of hikes and outings.”

Over the years the Club has been most fortunate in having dedicated officers to guide it. During 2023/2024 the following Board members spent much time and effort in leading the Club:

<u>ELECTED OFFICERS</u>	<u>APPOINTED OFFICERS</u>	<u>ELECTED DIRECTORS</u>

A giant thank you to many other Club members who have contributed and assisted in the preparation of this year's Trail Blazer. A special thanks to John McShea and Paul Klimowitch for providing endless club data.

We have had a great year. Our large membership is stable, and we continue to do about 2,000 hikes each year. We had no major incidents involving Club members.

Important activities completed include securing the club website, establishing a QR code for the club and a revision of job duties for all Board Members.

Membership as of September 30, 2024, was 570 compared to 586 on September 30, 2023.

For the first time ever, we had a “Solar Eclipse Hike”. On Monday, April 8 we had a full solar eclipse in Indianapolis. Ed Wright led a hike in Crown Hill Cemetery to view the eclipse. Another first-time hike was the January/February weeklong trip to Gulf Shores Alabama, led by Karen LeClerc

50 YEARS AGO

Win Pulsifer was the club president. Doris Gard hiked the most miles in the year. She hiked 307 miles.

“The fall overnight on October 13 at Shakamak State Park was at the height of the fall color and the beauty of the foliage surrounding the lakes made the hiking even more pleasant. On February 2nd the club again journeyed to Pokagon State Park, where some 67 people enjoyed the winter weather. The toboggan slide was in great shape and its breathtaking ride was taken by most. Win slid part way protected by his billfold, when he sort of overflowed the sled. Memorial Day Weekend found us back at Gnawbone Camp, where we were host for a joint meet with the Louisville Hiking Club”.

In the May 1974 schedule “HIKING CLUB RULE REMINDER: Please do not smoke on trails when hiking with the club.” SHARE CAR EXPENSES: The agreed-on donation for gas is 1.5 cents per mile from each rider if there are 1 or 2 passengers, and 1¢ per mile from each if there are 3 or more.

The club motto that we all know so well was approved. From the October 1974 schedule “The club motto as voted for at the September General Assembly is: **"Happiness - A Step at a Time"**

TALES FROM THE TRAIL

Almost a whine without wine – Lorraine's new house

Early in January, a Zionsville Wednesday evening hike stopped to view a large hole in the ground. It was the result of the first day of a bulldozer digging the foundation for a new home for Lorraine Smith. She had a large backpack in which there was a surprise bottle of sparkling wine and glasses to be shared with the hikers. The cork was stuck and after much pushing and twisting it snapped off.

Wow! End of the celebration? No! A neighbor appeared with a corkscrew, and all was saved.

Cold Weather Hiking - Marti Burton January 21, 2024

Many January hikes were cancelled due to low temperatures combined with the very low wind chill factor. I had cancelled my regular Sunday hike the previous week for those reasons. But after I heard that John Schlechte had led his hike at Turkey Run under these extreme conditions, I decided to keep my hike on the schedule although the air temperature was predicted to be zero degrees Fahrenheit.

When I arrived at the parking lot, no other cars were there so I knew turnout would be low. 9:00 rolled around and no hikers appeared. With hope still in my heart, I proceeded to walk around the area, circling back to see if there would be any late arrivals. No one else ever showed up, so I ended my hike after 2 miles. But the good news was that I could now put my long-length, down-filled parka back in the closet for another year as it had met my rule of only keeping clothing that had been worn in the past year!

Leading a hike for the very first time - Mary Barbara Miller

On October 9, 2023, I led my first hike for the Indianapolis Hiking Club. The hike is the Monday morning road hike in Eagle Creek Park; it has been passed down through multiple hike leaders over the years, so it is a “staple” in many hikers’ schedules. I was a bit nervous to take it over from the prior leader—I didn’t want to muck up a good thing.

I’m not known for being the first one to the trailhead, but on October 9, I arrived at the park 30 minutes early. As I rolled up to the gate, I noticed that the entry lane was not in fact open! The entry gate was still closed, blocking access. This was not an auspicious beginning! I diverted around the gatehouse and entered through the exit lanes and arrived at the parking lot rally point—which was deserted.

“Oh no,” I thought, “nobody is going to show up. Even if they are brave enough to have me as a hike leader, that gate closing will really put them off.”

Well, clearly, Hiking Club members are happy to ignore a closed gate when a hike is on the line. We enjoyed a lovely, sunny, 6-mile walk through the beautiful fall colors of Eagle Creek Park. No wonder this hike has been in existence for so long!

Gulf Shores, Alabama - Karen LeClerc

Beautiful weather was just what the group of 40+ club members and a few guests were hoping for and that’s just what we had for the week. There were 10 hikes on natural surfaces, paved surfaces, gravel

and some sand. The Hugh Branyon Backcountry Trail system, where the majority of the hikes were held has an abundance of wildlife and 28 miles of trails.

I unfortunately got the flu and was only able to lead the first three hikes. Luckily/thankfully my husband, Jim LeClerc, was able to lead the remaining hikes. We shared a few wonderful group meals together at a few of the most popular local restaurants. It was a great mix of hiking with the club and experiencing more personalized vacation time.

Lost on the Knobstone Trail - Theresa Ray

I led a challenging hike on the Knobstone on a beautiful warm day in February. I had ten hikers show up, all very eager to participate. In the parking lot before starting, my hiking buddy Susan Sievers wanted to bring up the back, so she and Kae Ramey were the last two hikers in the group. This is where the adventure starts!

My hiking friend Diana Sullivan had just returned from a humanitarian trip (Doctors without borders) in Africa and was telling me a story about a six month old child she had cared for. I wasn't paying enough attention and missed where I was supposed to turn. However, Susan and Kae had not missed the turn. When it was brought to my attention, I told my group of hikers to stay put and I would go see if I could find them. As I RAN back, I very quickly realized what had happened. Oh no!! I had missed the turn! I immediately tried to call them both, no answer! I had told everyone to put their phone on airplane mode to save battery unless there was an emergency

I got the group together, we turned around and started up the correct incline, thinking we would soon catch them. I kept calling because I had phone service, and several others did as well. No answer! We hiked several miles without seeing a soul. Finally, an hour or so later three hikers were coming my way. I ran to them and asked, "have you seen two women hiking?" One of them spoke up and said, "you mean Susan and Kae? They think you're ahead of them!" They had been hiking faster thinking they could catch us. At this point my buddy Steve volunteered to run and tell them. He caught them taking a break and explained what had happened.

Kae and I were training for the Grand Canyon, and she was rethinking if she wanted to go with me. After Steve explained to them how worried I was and how I had repeatedly tried to call them, they also felt bad. When we finally met up with them, Kae, Susan and I hugged it out! In the anxiety of the event, they had both forgotten to turn their phone on during this emergency.

In my experience this is most definitely part of the hiking adventure!

HONORS AND AWARDS

John Bacone was presented with the Sagamore of the Wabash award from Gov Eric Holcomb during the dedication of Toothwort Woods nature preserve on 10/10/23. John made it his life's work to protect some of Indiana's most natural and undisturbed areas through his work as the director of the Indiana Department of Natural Resources Division of Nature Preserves. When he started, the state was home to 46 preserves. Last month, Toothwort Woods in Jennings County became the state's 300th nature preserve. Thank you, John, for your dedication to saving the beauty in Indiana for all of us to enjoy.

Glee Crowder was awarded a recognition certificate. In 2024 she achieved the outstanding record of leading the most lifetime hikes, 3,923 to be exact, in the 68-year history of the Indianapolis Hiking Club. Glee also holds the Club's all-time mileage record with 55,867 miles. Glee has been a member of the Club since 2000.

SOCIAL

Annie Falvey

Social events this year were a success! The first was the Winter Banquet held at Nativity Catholic Church where it has been for the past several years. We had a new caterer, C.R. Heroes. They did a superb job, and we will be using them again. The date for the 2025 Winter Banquet has moved to Saturday, January 11, 2025. We hope more of you will be able to attend in a month that is not quite so busy. This year's event will be held at St. Therese-Little Flower Catholic Church.

As usual, the annual picnic was held in July at Eagle Creek Park. We had a beautiful day for hiking and picnicking. Oh, and lots of delicious food!

Finally, there was the General Assembly in September. New board members were elected, and we had a fascinating and informative presentation by John McShea on his Camino adventure. He did the entire trail, over 500 miles!

Thank you to all the volunteers who provided food and helped with the set-up. Your efforts are greatly appreciated, and the Social Committee could not host these events without your help.

FINANCES OF THE CLUB

The Board started a process to move away from paper cheques and to offer members the opportunity to make membership dues and other payments electronically. To achieve this the Board changed the club's banking account to PNC and set up Zelle payments.

We ended the year with a bank balance of \$22,155.

We have two reserve funds. There is a \$5,000 reserve fund for technology and \$3,000 for general expenses.

As we have done for several years, the club made a \$500 contribution to the Eagle Creek Foundation. This allows the club to be listed as a supporter on most of the Park's publications.
